Corporate Training Solutions

Corporations look to us to train their employees. Why? Because our proven training methods have increased employee proficiency and productivity. We assign one person to each of our corporate clients to ensure quality service, and we also offer extranet Web registration, management, reporting and billing for all clients. Simplicity, quality and outstanding service are our hallmarks.

Consulting Solutions

Consulting is about trust,

#5060: Microsoft Windows SharePoint Services 3.0: Implementing (2007)

Description:

This two-day instructor-led course provides students with the knowledge and skills to successfully implement Microsoft Windows SharePoint Services (WSS) version 3.0 in their organizations. It emphasizes that students should think about the architecture of their entire environment, including business and application needs, during the planning and deployment phases. The course covers how to perform a clean installation of WSS 3.0 and also describes all the prerequisites required to select the most appropriate method for upgrading WSS from 2.0 to 3.0 in a specific scenario. In addition, the course focuses on how to manage WSS after it is configured.

Course Outline:

Module 1: Introduction to the Windows SharePoint Services 3.0 Platform

- Overview of Windows SharePoint Services 3.0
- Collaboration Technologies Offered by Windows SharePoint Services 3.0
- Lab: Identifying How WSS Helps Address Collaboration Challenges

Skills

- Describe the role of Windows SharePoint Services 3.0 in addressing various business needs.
- Describe the collaboration technologies offered by Windows SharePoint Services

Module 2: Planning the Windows SharePoint Services 3.0 Environment

- Determining Organizational and User Needs
- Planning Site Creation, Maintenance, and Security
- Planning Server Requirements and Topologies
- Lab: Planning the Topology for WSS Installation

Skills

service and accountability. Our consulting division is one of the fastest-growing around. Why? Clients trust us to provide excellent service and expertise. Visit our [consulting section](#) for more information.
